

JOIN THE 2019 WOMEN'S MARCH IN ST. LOUIS

March for Action

Date: January 19, 2019

Time: Program starts at 10 am

Where: Meet in front of Union Station, in the park known as Aloe Plaza. An Event map will be available on the march Facebook page 48 hours prior to the event.

March: Program will begin at 10:00 am with a march to begin at 10:30 and head down Market. We plan to end in Poelker Park. The event will conclude with a selection of speakers, each with a specific message unique to creating change in the St. Louis community. We invite all attendees to remain in the area to turn their inspiration into action at our STL In Action Fair.

STL In Action Fair: BE the change you wish to see in your community! After the march concludes in Poelker Park, vendors, non-profits and community organizations will be set up to offer volunteer and outreach opportunities here in St. Louis. These March Partners will represent a variety of issues and will be as diverse as the local population. In the transformative spirit of the march, we challenge each attendee to commit to *at least one hour* of action in the next month.

Accessibility: Attendees in wheelchairs are welcome. The march path is accessible and ADA compliant restrooms will be stationed along the route. Interpreters will be available at each stage for our attendees who speak ASL as their first language. A viewing area close to the stage will also be reserved for these patrons.

Making Signs and Posters: If you want to make a sign or poster to carry please come to the League of Women Voters office on Friday, January 18th any time between 11:00 am and 3:00 pm. The address is 8706 Manchester, Suite 104 (first floor). If you are unable to make a sign on the 18th, extra signs and posters may be available at the march for you to carry.
